WHOLESALE COLLECTION 2026

BEAUTIFULLY ILLUSTRATED GREETING CARDS

Hello!

Lilypop is an independent greeting card company, created by designer and founder Natasha.

Inspired by a love for drawing and her creative background, Lilypop brings colourful, detailed illustrations with a simple, contemporary feel. From playful birthday cards to thoughtful designs for everyday moments, the collection is designed to bring a little colour and personality to the shelves of independent retailers.

Launched in 2023, Lilypop is stocked in independent stores across the UK and worldwide, and the collection continues to grow, with new cards being introduced along the way.

Thank you for discovering Lilypop, I hope you enjoy exploring the collection.
